Max Diameter of Film (mm)	140	140
Packaging Speed (tray/min)	6-8	8-10
Electrical Requirement	1P/220v/50HZ	1P/220v/50HZ
Consume Power (kw)	0.7	0.8
N.W. (kg)	22	40
Machine Dimensions (mm)	545x296x250	420x490x700

ENDURO

Automated Tray Sealers

END-900L WITH GAS

END-59 & END-69

MAIN FEATURES:

- Manual tray loading station
- Automatic lidding film feed, seal and perimeter trim
- Scrap film trimmed & rewound
- Manual or sensor-start

ENDURO

Fully Automated Shuttle Sealers

END-6 ENDURO AUTOMATIC SHUTTLE SEALER

MAIN FEATURES:

- Stainless Steel Construction for reliability and efficiency
- Vacuum with Gas Flushing
- Heating element with Teflon coating and AL anodized
- Quick interchangeable mould / sealing tool design
- Full safety guard defence for security
- Accurate film rewinding system design
- Film feed controlled by sensor, encoder, or time
- (Available for Plain Film and Printed Film)

ENDURO

C-PET Single Compartment Prepared Meal Trays

Dual ovenable and microwaveable. C-PET withstands temperatures from -40°C to $+220^{\circ}\text{C}$, making it an excellent choice for use in freezers, microwaves, conventional ovens. The C-PET barrier can extend shelf-life when used together with specific preconditions.

MAIN FEATURES:

- Unique multiple depth trays with same foot print size. Cuts down any extra machinery tooling costs, use 1 machine for multiple trays.
- Lidding film uses minimum material compared to wrapping trays in PVC food wrap.
- Lidding film can be custom printed.
- Full parts and service backup NZ wide for Enduro Tray Sealers – 12 month warranty.

LIDDING FILM

The ENDURO lidding film provides clarity and transparency with high gloss and is specifically engineered for sealing a wide variety of trays without jeopardising seal integrity. Virtually every product needs a specific film, according to the exact needs of our clients. We have a wide range of options available for peelable film, high or low barrier properties including whether your product needs to be frozen or chilled. Whatever your requirements we can help find the most compatible film for you.

To take your product presentation to the next level, Contour International offer custom printed lidding films as shown above. When shelf space is crowded and your product needs to stand out from the pack, custom printed lidding film raises the standard of your presentation and makes your product pop.
